Fraud practices of Revision Legal

Revision Legal is the worst company ever! Run by awful attorneys John Di Giacomo, Anderson Duff and Eric Misterovich, all they do is scam people, extort money, and have a really bad reputation in legal circles!

Anderson Duff had several criminal charges, including burglary - is that a type of attorney you want handling your cases?!

I personally was dumb enough to hire Eric Misterovich to represent my company for a **copyright infringement case, that was supposed to be super easy since we owned the trademark**, but this guy almost made us lose! I have a strong feeling he took a bribe from our competitors, otherwise i can't explain how he could mess up such an easy case! I'm very surprised how such incompetent people manage to survive in this type of business for years!

For your own sake, stay away from Revisal Legal!

Anderson Duff Attorney Lawyer Revision Legal

Anderson Duff stole trust fund money from my grandfather. He is a lying, dishonest charlatan.

My grandfather is now dying because he isn't able to pay for surgery. A truly sick, money grubbing shyster. I am hoping God punishes him. I made complaint to NY Bar to deal with his theft of my grandfather's money.

Anderson Duff decided to take advantage of my elderly grandfather. I can't believe he would do this. He is a truly evil and sick man. Please do not hire him.

He will take advantage of your situation and steal your money. He can't be trusted.

I am very sad and disappointed. Go to *** Anderson Duff

Reason of review: Bad quality.

Monetary Loss: \$100.

Preferred solution: Let the company propose a solution.

File a complaint with his state licensing board as most states have a fund to reimburse assuming your allegations are valid.

Anderson Duff Revision Legal

I hired **Anderson Duff** of Revision Legal after a long battle with my competitor over a trademark dispute. Anderson promised all sorts of outcomes—a true snake oil salesman. He even misused some of the trust funds for himself.

After spend literally 100k, and Anderson Duff taking me nowhere, I decided to hire another attorney. The new attorney informed me that Anderson had a bad reputation in legal circiles in NYC and was a known 'used car salesman'

SUBMITTED: Wednesday, November 15, 2017

Be advised that Anderson J. Duff has initiated Case No. 17-32312-CZ in the 13th Circuit Court for the County of Grand Traverse in the State of Michigan. This action alleges that your statements are false. In connection with this action, Plaintiff has issued a subpoena seeking the records of Xcentric Ventures, LLC and, in part, for your identifying contact information to be sent to Revision Legal, PLLC at 109 E. Front St. Ste. 309, Traverse City, Michigan 49684.

Ten years ago, an Arizona State court held that the right to speak anonymously is not absolute. *Mobilisa, Inc. v. Doe*, 217 Ariz. 103, 108, 170 P.3d 712, 717 (Ct. App. 2007). To avoid chilling free speech and encourage robust debate, however, the court also required that an anonymous author like yourself be given "adequate notice and a reasonable opportunity to respond to [Plaintiff's] discovery request." *Id.* at 721. Because anonymous speech can, and often does, contribute to society in many ways, even anonymous authors of malicious content have the right to file and serve responses to discovery requests anonymously. If you plan to avail yourself of this right, you may wish to seek legal counsel. With or without legal counsel, please file and serve your response, or notify us of your intent to do so, on or before November 23, 2017. You may contact me, Anderson J. Duff, via facsimile at 212.996.5863.
